Subject: SRHE Annual Conferences-December 2008-Call for Papers

Dear SRHE Member

SRHE Annual Conference 2008- 9-11 December, Liverpool

SRHE Postgraduate and Newer Researchers Conference-8 December, Liverpool

The Call for Papers for the SRHE Annual Conferences is now open and I am pleased to attach your advance copy of the pdf of the full Call for Papers.

I hope that you will be interested in submitting a proposal for one or both of the Conferences and that you will also be registering to attend the Conferences.

This year we will be at the Adelphi Hotel in Liverpool, European Capital of Culture 2008, and all conference sessions will be in the one hotel. This will provide even better opportunities for informal discussion and networking, which has been such a feature of recent SRHE Conferences. The Conference programme will include a new approach to plenary sessions designed to ensure real engagement between speaker contributors and the audience, a good social programme as well as a very rich mix of paper presentations, symposia and other sessions for the presentation and discussion of current research.

We are extending the time table of the main conference this year to run from earlier on the first Tuesday (11.00am) until slightly later on the final Thursday (3.00pm) in order to ensure that all accepted papers can be presented with sufficient time and with good opportunities for discussion and debate.

The Postgraduate and Newer Researchers Conference, on Monday 8 December, also has a new structure and exciting programme.

These SRHE Conferences have become flagship events in the Higher Education research calendar in recent years and the Society works hard to deliver excellent events geared to your needs and interests.

You will find all the information you need about the conference in the attached Call for Papers and you can submit papers and register for both conferences at <http://www.srhe.ac.uk/conference2008>

Do please forward a copy of this email to any colleagues or other individuals or Groups of which you are a member for whom these conferences will be of interest.

We look forward to welcoming you to Liverpool in December.
