# Health Insurance Comparison Service

Finding the right health insurance plan for you and your family is very important. In most cases this requires a lot of detailed knowledge to make the right decision.

As Ireland's largest health insurance broker, we at Cornmarket have been providing specialist financial advice and preferential deals to our customers for over 40 years. Whether you are an existing or a new member, we can help you to select a plan that meets your needs including the possible savings for you or your family.

With one phone call to our offices we will compare all health insurance providers so you get the cover that's right for you. If your existing cover is fine, no change will be recommended. In many cases, we may even be able to identify better cover for you from your existing provider. It's that simple!

On average customers saved up to €488\* when we reviewed their health insurance cover.
