

“I SUPPORT THE END OF PRECARIOUS EMPLOYMENT IN HIGHER EDUCATION.”

IFUT is the union for academic and academic-related staff in Ireland.

Our members are lecturers, researchers, librarians, tutors, teaching assistants, demonstrators, teaching fellows, certain admin and IT workers and more.

If you are facing a problem in work, we can help. As a member of IFUT, you have the support of trained local officials and access to legal advice and representation.

Don't wait until you have a problem, join us today.

Remember, the more staff who join, the more we can achieve.

Together, we are stronger.
