**GENERAL SECRETARY**

**DUTIES & APPOINTMENT** (a) There shall be a General Secretary of the Federation who shall be a permanent and fulltime official of the Federation and who shall be responsible for the duties laid down by these Rules, by the Standing Orders of Council and by the authority of the Executive. The General Secretary shall be appointed by the Executive following procedures approved by Council. The contract of employment shall specify the nature of the relationship between the General Secretary and the Federation. The Executive shall have power to appoint other officials to perform such duties as the Executive shall determine.

**LAPSE IN FUNCTIONS** (b) In the event of the post of General Secretary becoming vacant or the functions thereof ceasing otherwise to be exercised, in part or in whole, through any cause, the Deputy General Secretary shall assume the responsibility for such functions and take such steps as are necessary, with the approval of the Executive, if need be, to ensure their fulfilment, until such time as the post of General Secretary is filled. If the Deputy General Secretary is not in a position to assume this function, the President will assume the responsibility.

**Rule 13**

**SUBSCRIPTIONS AND FUNDS**

**SUBSCRIPTIONS & MOTIONS** (a) The monthly subscription shall be such stated sums or percentage deductions from salary as may be determined by the Executive. A motion to change the subscription or proportion of subscription income going to the Branches shall be sent to Branches at least three weeks before the meeting of the Executive at which it is to be put and must then be passed by a two-thirds
majority of those members present and voting at the Executive meeting concerned.

BRANCH SHARE  (b) Such amount as Council shall decide from time to time, being a per capita annual entitlement for the membership of the Branch, shall be credited to the Branch for its expenses, but Branches are empowered to raise any additional amount from among their members for their own use.

PAYMENT OF SUBSCRIPTIONS  
(c) Subscriptions shall be paid, as the Executive approves, either by a scheme of deduction at source or directly by members to the Federation. Direct payments shall be made to the General Secretary in advance of the period concerned, which may be no less than one calendar month. Payment by deduction at source shall relate to the calendar month in which the deduction is made and nobody shall be deemed to be in arrears between any two such deductions. Any scheme for deduction at source shall require that the deductions are remitted to the General Secretary at appropriate intervals. A person rejoining the Federation after a period of non-membership, which was not due to ineligibility, shall be liable for the amount of subscriptions relating to the intervening period, unless this is waived in part or in whole by the Executive.

LEVIES  (d) The Council may, under these Rules, impose special levies upon every Full Member or on a group or groups of Full Members, provided that three weeks notice of the intention to impose such a levy shall be given to each Branch. Council may pass a motion imposing such a levy providing at least two-thirds of the members of the Council, present and voting, vote in favour of such a motion. Such levies shall be paid within two weeks of such Full Members having been informed of the imposition. Failure to do so within six months shall result in the defaulting member ceasing to be a member ipso facto; such a person shall not be readmitted except by decision of the Executive, in the light of special circumstances and subject to such policy as may be decided by Council from time to time.

USE OF FUNDS  (e) The funds of the Federation may be employed for any purpose, which, in the opinion of Council or the Executive, furthers or tends to further the aims of the Federation. Any surplus funds of the Federation shall be invested in such trusts or
securities, including real property, as the Executive may, from time to time, decide, subject to any resolution of Council.

**BENEFITS (f)** The Executive may, with the approval of Council, provide from the funds such sums as it shall consider appropriate to alleviate the financial hardship of members who are involved in a strike or other industrial action or who have, in the opinion of Council, been unjustly suspended or dismissed from their employment. Such payments shall be made under whatever conditions the Executive may decide.

**FINANCIAL RECORDS (g)** The Vice President (Finance) shall be responsible for the keeping of proper accounting records, and the books of the Federation shall be open for inspection by any interested person, as defined in the Trade Union Act of 1941.

**ELECTION OF TRUSTEES (h)** There shall be three Trustees of the union who shall be elected by a simple majority vote at the Annual Delegate Conference. Trustees shall have been members for not fewer than ten years. They shall hold office for one year and shall be eligible for re-election, but in no case shall the term of office exceed five years. If the number of valid nominations before the Annual Delegate Conference is less than three or if, from any cause, the number of Trustees should fall below three, Council shall elect a Trustee or Trustees to bring the number up to three. Any Trustee so elected shall hold office until the conclusion of the next Annual Delegate Conference. Trustees may not be members of the Executive. Trustees should meet at least twice per year.

**TRUSTEES & AUDITORS (i)** The Trustees shall be supplied with all information which they request on the financial affairs of the Federation. They shall be entitled to require the General Secretary or the Auditors to supply them with any further information relevant to those affairs. They may issue a report in writing to Council on any matter concerning the finances of the Federation. They shall appoint, annually, Auditors to the Federation and shall receive any report issued by the Auditors.

**BRANCH PROPERTY (j)** Where the number of members in a Branch falls, through any cause, to fewer than ten, all securities, monies, equipment, books, documents
and other property held by the Branch shall be transferred to the Trustees of the union by the Branch officers through such means as may be necessary.

MANAGEMENT  (k)  The property of the Federation shall be under the management of the Executive, subject to any resolution of Council concerning its management, and shall be vested in the Trustees.

ANNUAL RETURN  (l)  An annual return of the assets, liabilities, income and expenditure of the union shall be made to the Registrar of Friendly Societies before the first day of June in every year.

Rule 14

LEGAL ASSISTANCE TO MEMBERS

FRAMEWORK  The Federation recognises the need on occasion to arrange for the provision of legal assistance to members. The nature of this provision will be agreed in advance between the member and the General Secretary, in consultation with the Executive. Members who engage the Federation to act on their behalf must inform the Federation immediately if they independently engage legal assistance in relation to any matter which the Federation is pursuing on their behalf.

Rule 15

DEFINITION OF STRIKES & OTHER INDUSTRIAL ACTION

APPLICATION  (a)  The provisions of this Rule shall apply notwithstanding any other provision contained in these Rules.

TERMS  (b)  In this Rule the terms 'strike' and 'industrial action' shall have the same meaning as in the Industrial Relations Act 1990 as quoted in the Addendum to these Rules.

MEMBER  (c)  In this Rule the term 'member' shall have the same meaning as in Rule 3(a).

SCOPE  (d)  The provisions of this Rule shall apply to the Irish Republic only.

BALLOT  (e)  The union shall not organise, participate in, sanction or support a strike or other industrial action without a secret ballot, entitlement to vote in which shall be accorded equally to all members whom it is reasonable at the time of the ballot to
believe will be called upon to engage in the strike or other industrial action.

**NON-INTERFERENCE** (f)  The union shall take reasonable steps to ensure that every member entitled to vote in the ballot votes without interference from, or constraint imposed by, the union or any of its members, officials or employees and, so far as is reasonably possible, that such members shall be given a fair opportunity of voting.

**EXECUTIVE DISCRETION** (g)  The Executive shall have full discretion in relation to organising, participating in, sanctioning or supporting a strike or other industrial action notwithstanding that the majority of those voting in the ballot, including an aggregate ballot referred to in Section (h) of this Rule, favours such strike or other industrial action.

**MAJORITY RIGHTS** (h)  The Executive shall not organise, participate in, sanction or support a strike or other industrial action against the wishes of a majority of the union’s members voting in a secret ballot, except where, in the case of a ballot by more than one trade union, an aggregate majority of all the votes cast favours such strike or other industrial action.

**ICTU APPROVAL** (i)  Where the outcome of a secret ballot conducted by the union, or in the case of ballots conducted by the union and any number of other trade unions which are affiliated to the Irish Congress of Trade Unions an aggregate majority of all the votes cast, is in favour of supporting a strike organised by another trade union, a decision to take such supportive action shall not be implemented by the union without the sanction of the Irish Congress of Trade Unions.

**DETAILS OF VOTE** (j)  As soon as practicable after the conduct of a secret ballot, the union shall take reasonable steps to make known to the members of the union entitled to vote in the ballot:

(i) The number of ballots issued.
(ii) The number of votes cast.
(iii) The number of votes in favour of the proposal.
(iv) The number of votes against the proposal, and
(v) the number of spoiled votes.
SETTLEMENTS  (k) Nothing in this Rule shall constitute an obstacle to negotiations for the settlement of a trade dispute nor the return to work by members of the union party to the trade dispute, and any decision taken in accordance with this Rule to organise, participate in, sanction or support a strike or industrial action may be rescinded or amended without the necessity of a further ballot of the members concerned.

Rule 16

INDUSTRIAL ACTION PROCEDURES

CONCILIATION & ARBITRATION

The Federation shall, at all times and on all matters, conduct its affairs by joining in conciliation procedures and the Executive and the Council are empowered to participate, after consulting the Branches, in arbitration machinery. In the event of a strike or other industrial action the procedures in sections (a) to (d) shall be followed.

LOCAL ACTION  (a) A strike or other industrial action involving the partial or complete withdrawal of labour by the members of one or more Branches or a Section shall only be taken when the following sequence has been observed:

Ballot  (i) A secret ballot of the members of the Branch or the Section, as the case may be, conducted by the Executive of the Federation at the request of the Branch Committee, shall have approved the action proposed; the majority required shall be a two-thirds majority of those Full Members who have voted.

Executive Approval  (ii) The Executive shall have approved the action proposed, prior or subsequent to the ballot.

NATIONAL ACTION  (b) A strike or other industrial action involving the partial or complete withdrawal of labour of all the members of the Federation shall be taken only by the decision of the Executive. The Executive may not so decide unless:

Ballot  (i) A secret ballot among all Full Members on the issue is held as to whether to take such action.

Majority  (ii) The ballot so held shall have resulted in a majority in favour of the action recommended. The majority required shall be a two-thirds
majority of those Full Members of the Federation who have voted.

NATIONAL BALLOT (c) The Executive shall hold such a ballot referred to in Rule (16) (b) when a request for a ballot has been received from a majority of Branches. In all other situations, the Executive shall act in its discretion as to whether a ballot should or should not be held.

TERMINATION (d) All ballots conducted to determine the views of the members on a strike or other industrial action shall normally include details of a procedure for terminating a strike or other industrial action, if such action is undertaken. If no such procedure has been agreed in a specific case, the decision to terminate a particular course of action may be taken by the Council, or by the Executive, after consultation with the Branches.

Rule 17

CONFERENCES AND MOTIONS

REQUIREMENT (a) There shall be an Annual Delegate Conference of the Federation on a date fixed by the President in consultation with the Executive.

INFORMATION (b) Notice of Conference (i) Notice of an Annual or Special Delegate Conference (‘the meeting’) shall be sent to all members not less than twelve weeks before the meeting, together with a preliminary agenda and an invitation to submit motions for debate at the Annual or Special Delegate Conference concerned.

All motions and all proposed amendments to the motions shall refer to matters which come within the scope of the objects of the Federation as laid down in Rule 2 section (a). In exceptional
circumstances, in order solely to protect the integrity of the Federation and fulfil its duty of care to the entire membership, a motion may be deemed out of order despite coming within the scope of the objects of the Federation. In the event of a vote relating to such a decision, a two-thirds majority of the Executive who have voted will be required to rule such a motion out of order.

Notice of Motions on Policy
(iv) Notice of all motions on policy deemed to be in order shall be circulated to members not less than two weeks before the meeting.

All such proposed amendments shall be in writing and, in the case of amendments proposed by individual members, they shall be signed by any two such persons.

Amendments on Day
(vi) Proposed amendments to a motion may be suggested by any participant during the course of the debate on a motion. It shall be for the Chairperson of the meeting to decide whether to accept such a proposed amendment for debate subject to any provisions of the Standing Orders Report.

Objects & Motions

QUORUM  (e)  The quorum for an Annual or Special Delegate Conference shall be one-third of the delegates notified to Head Office in advance of the meeting.

MOTIONS & COUNCIL & EXECUTIVE  (f)  Motions passed at the Annual Delegate Conference, which request action by the Council or the Executive, shall be placed on the agenda of the Council meeting, or the Executive meeting as appropriate, immediately following that Conference. It shall be the duty of the officers of the Federation to report back on such motions to the next Annual Delegate Conference of the Federation.

DELEGATES  (g)  Delegates to the Annual or Special Delegate Conference shall be appointed by the Branches in accordance with their Rules and Rule 6 (c) above, using the criterion of twice the number of delegates they are entitled to send to Council. The names of delegates shall be notified to the General Secretary not less than four weeks before the Conference concerned. The Executive members shall be ex officio delegates.

NON-VOTING ATTENDEES  (h)  Head Office Officials and members of the Federation, other than delegates, may attend and speak but may not vote at Annual or Special Delegate Conferences.

STANDING ORDERS  (i)  In relation to Annual or Special Delegate Conferences, the Executive shall prepare a Standing Orders Report dealing with the times of sessions, motions and amendments which are in order, delegates’ credentials, duration of speeches, and procedure generally. This shall be presented as the first item of business at an Annual or Special Delegate Conference, as the case may be, for acceptance, rejection or amendment.

CONSULTATIVE  (j)  The Executive may call Consultative Delegate Conferences according to provisions and for purposes specially laid down for them, subject to the Rules of the Federation.
Rule 18

**SCHEDULE**

(i) The provisions of the Schedule may be amended, varied or repealed by the Council, provided that a motion so amending, varying or repealing any of the provisions of the Schedule has been passed by a two-thirds majority of those members of the Council present and voting. Notice of such a motion must be given to the Branches at least three weeks before the meeting of the Council when the motion is to be moved.
